## First Time App Use on Catalina Issue

After Unzipping and running the app for the first time, you might get the following message in Catalina

## Right click and select Open

<u>v</u> ,			
	💽 Downlo	ads	
< >		· ← C Q Search	1
Favorites	Name	Size v Kind	
AirDrop	SortedTiff.zip	49.8 MB ZIP arch	nive
Recents		iLauncher.osx.v1.10.1.app Open	
	iLauncher.os>	x.v1.10.1.zip	1.

## This will give you an "Open" option

If the application does not open after a few 10 seconds – try opening it again the same way. This may need to be done a couple times – but after that, the app should open like normal
